

# Felt Christmas Ornaments

## Materials Required

Craft felt  
Ribbon, ric-rac  
Craft glue  
Needle/Thread  
Polyfill stuffing  
Pins

## Instructions

1. Print Pattern twice. One pattern will be used for the ornament shape and the other will be used for the ornament stripes. Cut out pattern pieces.
2. Pin or trace pattern pieces onto felt scraps and cut out felt pieces from pattern.
3. Pin felt ornament pieces and ribbon for hanging together. Sew together with a back stitch or blanket stitch. Leave a small opening on the side for stuffing. For best results sew ornament with a sewing machine.
4. Lightly stuff ornament full with polyfill and close opening with a back stitch.
5. Glue ornament cap onto front. Glue stripes onto ornament.
6. Finish decorating ornament with extra ribbon, ric-rac or additional felt pieces.

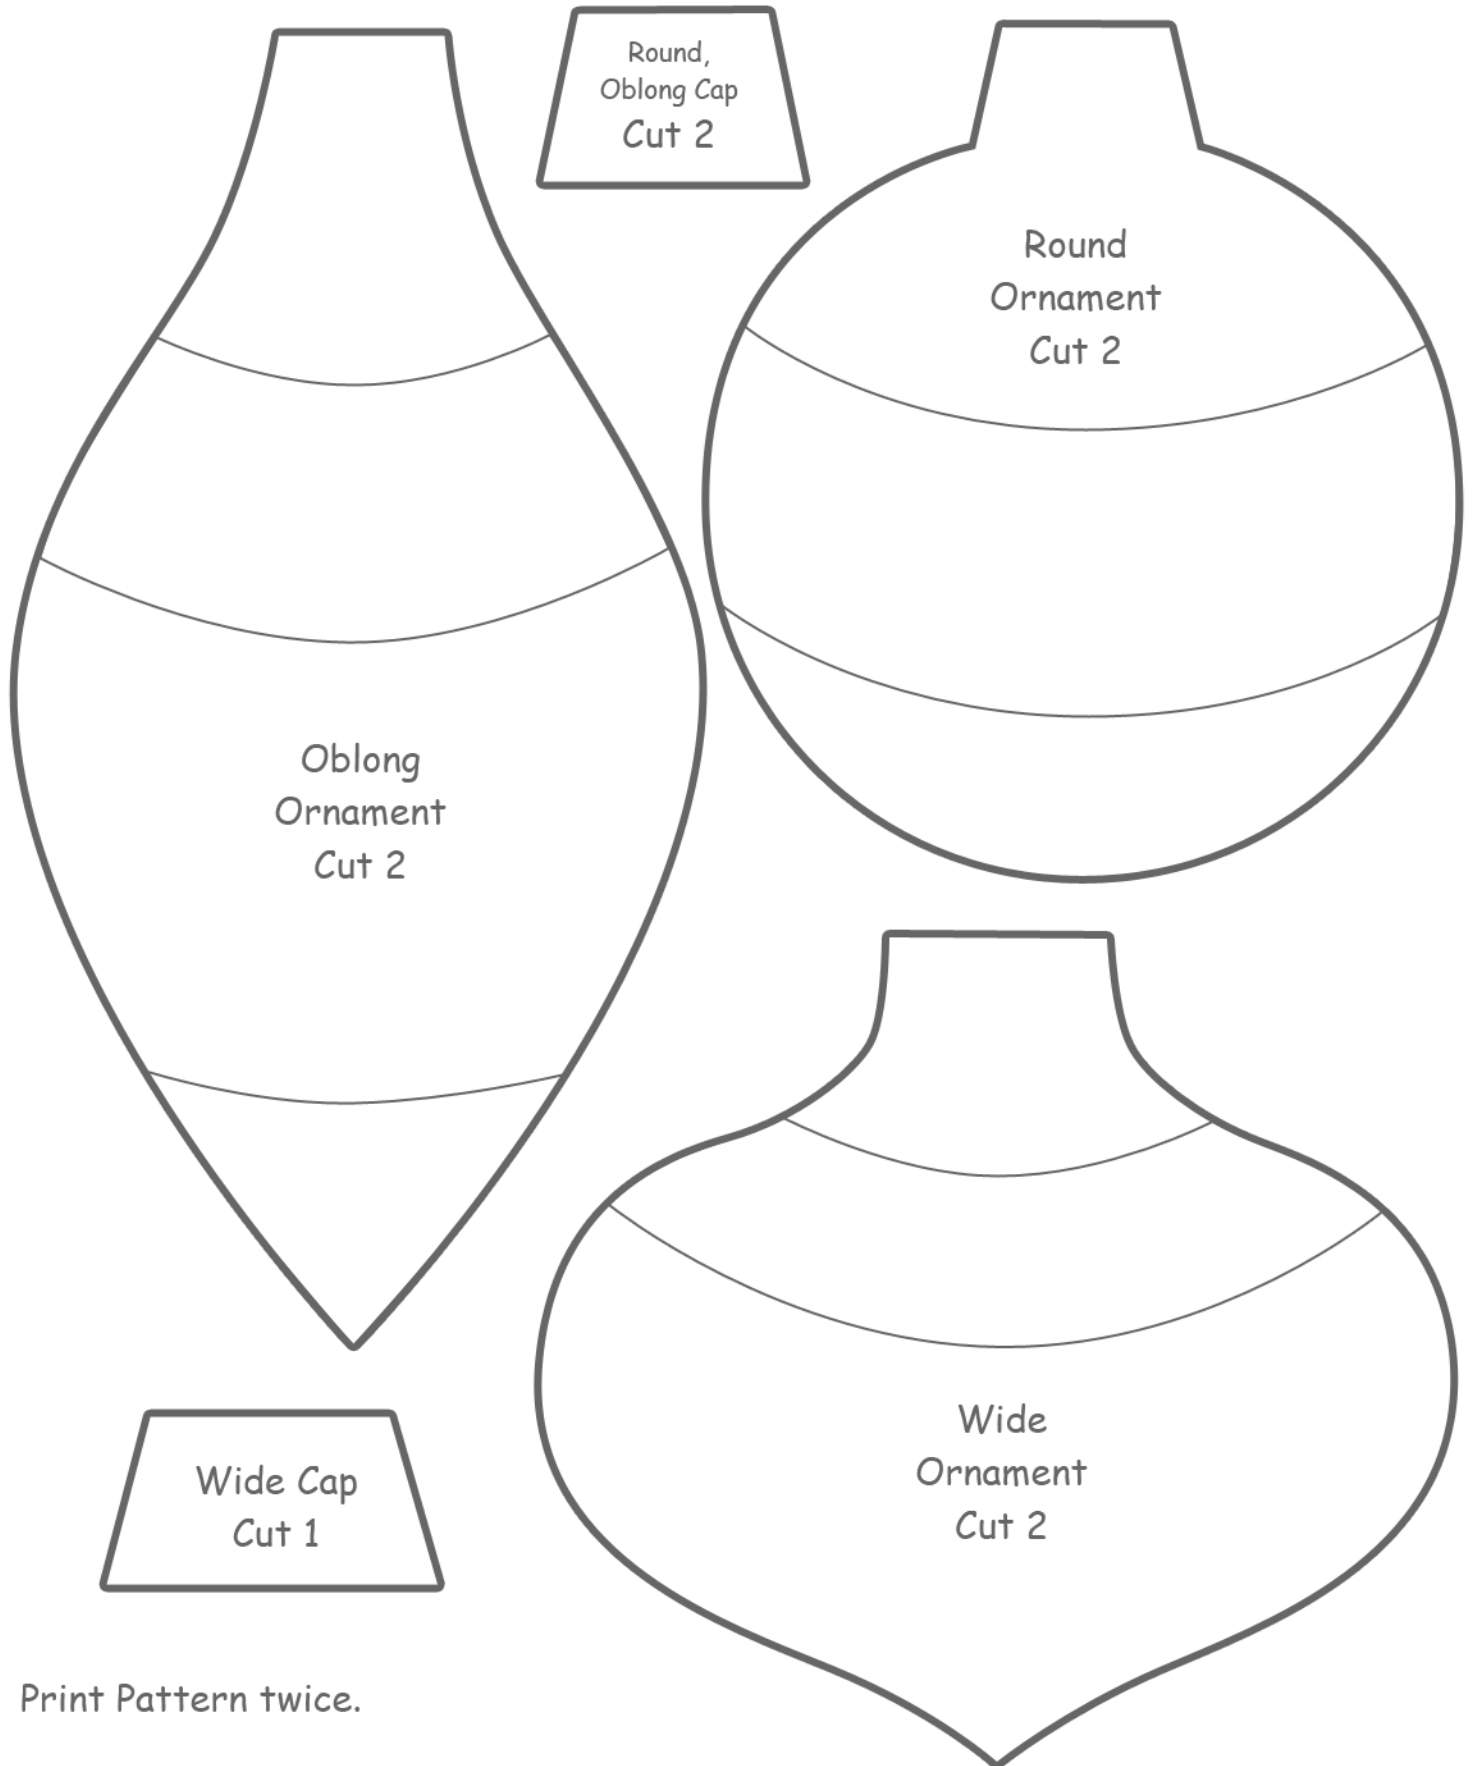

Please make these ornaments  
for family and friends.  
They are not to be sold.  
Merry Christmas!
